HARDSHIP POLICY

We have a small number of requests from parents each season for the deferment, reduction or exemption for or from the payment of club Registration / Membership fees.

- The Hardship Policy of the club is as follows:
- If the parent has difficulty paying the annual registration fee there is the option to pay by instalments.
- If paying by instalments is not viable, the parent can make an offer of a donation amount and/or also commit to volunteering to help at club events.
- In all cases requests of hardship support will be considered carefully by the Club Committee.
- All matters will be dealt with in the strictest confidence.
- All requests must be submitted verbally or in writing via the team manager.
- The decision of the Committee is final.
